# Agenda

- What does it mean to be a supporter?
- Which roles do we offer?
- Short demo session from your POV
- Q&A
- (Possible) assignment

## Privacy Friendly Apps

# What does it mean to support us?

## ■ It could mean:

- Help manage the apps 
- Support users with their problems & reports 
- Improve functionalities 
- Implement new features 

## ■ It depends on your preferences!

- How much time do you have? 
- What skills do you have? 
- What do you want to do? 

# Privacy Friendly Apps

# What do we offer?

- Work together with the PFA team 
- Everybody will be mentioned on the PFA-website 
- Certificate proving your work 
- Access to project board for open PR's and issues 
- Make decisions about the future of your patroned app (compliant to PFA guidelines) 
- 2 options to support us (Varying level of effort and responsibility)
  - PFA-Supporter
  - PFA-Patron

## Privacy Friendly Apps
